No. 14 - 92

April 23, 1992

DEAF THOUGHT FOR THE WEEK: "The total subjection of a deaf child to a means of communication which he cannot understand in a school setting is not only unprofessional and usually ineffective, but it could well be viewed as a violation of the rights of another human being."

Dr. Edward C. Merrill, Jr., Gallaudet University

The Center is available for use with state training programs. For more information, write or call (317) 232-3262.

Mathematics at ISD - ISD will adopt new mathematics textbooks for the '92 - '93 school year. Texts selected are: Harcourt Brace Jovanovich, *Mathematics Plus* (grades 1 - 6); Addison-Wesley, *Mathematics* (grades 7 - 8). Parents and staff members are encouraged to examine the samples on display in Judy Cass's office (building #6, room #133) until May 15th. For questions or comments, contact a member of the Mathematics Curriculum Committee (Betsy Bandy, David Geeslin, Chris Walters, George Houk, Jerry Thixton, Eric Mansfield, Yvonne Johnson). Yvonne Johnson, Mathematics Resource Specialist

Middle School Needs Volunteers! - Middle School would like to sponsor a booth for "May Carnival Days", May 1st - 3rd. Because we are a small department, we need to recruit manpower! Are there any Middle School Parents willing to man a booth for a four hour shift? If so, please contact Mary Glenn Cullison, extension 116, as soon as possible. Thanks!

Help a Good Cause! - The Meridian Street Kiwanis Club has been our "Partner in Education" for the last five years. During that time they have given the school money and helped us with numerous projects. Now it is our turn to help them. They are collecting clothes for the needy. If you have clothes, purses, shoes, etc, that you would like to donate to the poor, please send

them to Kathleen Robertson, AEP Supervising Teacher. Our Special Needs classes will assist in separating all of the clothes. Let's clean out our closets for a good cause!

"*May Carnival Days*" is coming May 1st, 2nd, and 3rd. Festivities will commence Friday the 1st at 5:00 pm (when ISD concludes its Open House). The non-stop rides, food, games, *lots* of entertainment and information will continue all day Saturday and come to a close Sunday evening at 6:00 pm. Excitement continues to build on the ISD campus as May draws nearer. F.Y.I. - Some exciting volunteer opportunities are still available. **Don't miss this weekend!!**

"I Love You" Stamp Design Competition - The National Association of the Deaf has announced a competition for an "I Love You" Postage Stamp. Judging will take place during this summer's NAD Convention in Denver, Colorado. Three selected designs will be submitted to the United States Postal Service (USPS) for further consideration for a future stamp issuance. Each of the three selected designs will be awarded \$100 by the NAD. If the USPS selects one of the designs they may consider paying a fee to the designer according to USPS guidelines. The purpose of the competition is to show the USPS that a wealth of "I Love You" ideas can be transformed into a postage stamp design, especially suited to the ongoing series of "Love" stamps.

RULES FOR THE COMPETITION:

- The competition is open to everyone, Deaf and Hearing
- Three designs will be selected, each will be awarded \$100
- Each submission must be accompanied by a \$10 entry fee and must be received by June 15th, 1992 (further information will be provided with the entry blanks)
- Consideration will be given to designs that convey to the general public, in a clear and distinct manner, that the "I Love You" hand sign is a bridge between Deaf and Hearing people; and on their ability to be reconfigured into the size of a postage stamp
- Judges will be announced at the competition. They will be composed of Deaf people with artistic expertise, the NAD "I Love You" Postage Stamp Committee, the NAD Executive Director, and the NAD President

For further information (including USPS design standards) and/or entry blanks (one for each design submission), send a legal sized self-addressed stamped envelope to:
